

Handmade, high quality and with that special something. My best package include the hi-end Professional Line Photobook. The luxurious acrylic cover in combination with a high-quality cover in leatherette creates a very special product. The matching premium gift box offers an elegant presentation.

Individual Cover Design

The handmade Professional Line Photobook offers you various cover options in leatherette and special surfaces such as linen, cork or wood appearance. These surfaces can be further customized with text and clipart.

Elegant Acrylic Cover

The combination of acrylic and a high-quality cover in leatherette make this photobook truly unique. Acrylic provides an intense luminosity, color brilliance and an impressive depth for a striking cover image.
